A woman with dark hair, wearing a black and red thong, is posing on a wooden staircase. She is looking back over her shoulder at the camera with a smile. The staircase has a wooden railing and balusters.

Innocence Vs. Experience!

October HAWK's lead-off babe is **Anetta**, and she is a stunning Euro piece of ass! Watch as she lures us into this sexciting, new issue! Her sense of adventure belies her youthful appearance . . . or is it the other way around? And we have the lovable **Bree**

Olson, reigning AVN Best New Starlet. She looks like a sweet, young, Midwestern, homegrown beauty,

but her filthy performances prove she could suck the chrome off a bumper! And eighteen-year-old

Courtney James is pictured here taking on the cock of a young stud for real! Our covergirl/centerfold

is magnificent **Meggan**, the newest Vivid contract girl. HAWK readers flipped for her back in the May

issue, so we knew we had to bring her back for more! Porn producers Platinum X bring us **On The Set** for

an up-close peek at Teen Fuck Holes 5, and these young slut-stars will have you shooting your load over and over

again! Sweet, young **Nikita** returns in a session with her teacher—an older girl, teaching her the lessons of lesbian love.

And **Tiffany Brookes** rounds out this spectacular issue, a perfect-bodied young nymph who seems to have

been sculpted from stone, though her skin is so much nicer to touch! Enjoy!

Samantha Marie

just a few. Is this a hormonal thing and girls aren't getting hair down there until later in life (or maybe never?!), or have they discovered some mode of hair removal that just makes it look that way?

I suppose it doesn't matter so long as they're legal and good-looking. I was happy that Sam (as I call her) was on the cover, because in my opinion she was the finest looker in the whole issue (and we all know that's saying something!).

Also, I do wish she'd quit gnawing on her panties, because that can be a really expensive habit. I know, I found out the hard way.

Milton

Monte Nido, CA

Dear Milton,

You bring up some important issues that should have been addressed a long time ago. A few years back girls began removing the hair from their pussies (via razors, waxing, etc.). There are several theories, and the one we like best is that it started with the porn industry when they found that by some simple hair removal they could actually see the action more clearly. (Watch one of those '70s classics and you'll see what we're talking about!)

As for Samantha chewing on her panties, we totally understand. We'd chew on her panties, too! In fact, next time we just might do that.

Dear HAWK,

I used to be bi-curious, now I just think I'm bi. Who needs a dick when there are so many pretty girls around?

If you're wondering of whom I speak, it is Cassia Riley [August]. I love the streaks in her

Dear HAWK,

I am very curious about Samantha Marie in the August issue. I'm not dumb, I know the basic stuff. I know she's blonde and really hot. I know her boobies are pretty small (more pretty than small, I'd say). And I can see that she has no hair between her legs. I've noticed that with other girls, this no hair thing, and that's what I'm curious about.

Is this a natural occurrence? When I was younger and getting more action than I am today, all the girls had what we called pubic hair between their legs. Nowadays it seems like most of the girls don't have a single hair, or they have

Cassia

hair. I love her obviously natural tits, which are surprisingly big for such an otherwise slender girl. And she has a pussy just like mine—the classic landing strip above the lips. What I would give to have her work her tongue down my strip to my pink hole. Better yet, I could do the same thing to her. My dying wish is to taste the juices of Cassia's pussy hole.

And that's not all we have in common: I'm also a painter. I specialize in sailboats. Can you imagine what a pretty picture Cassia and I would make together? Probably make a helluva mess, too, but so much fun. Cassia, you think you can have fun with your panties, you wait until I get a hold of you!

Pepper
Washington, DC

Dear Pepper,

There is nothing wrong with lesbianism. While we will miss the opportunity to nail you personally, we hope to see you and Cassia together in a layout one day soon, and you two can paint and play with each other's panties and what's inside, until the cows come home! Talk about painting a pretty picture!

Dear HAWK,

I've always had a thing for centerfolds, I don't know if it's because they're in the center of the magazine or because they're always the hottest chicks, but that's always where I go first when I open up my **Hawk**, right to the center of it all, and did I ever like what I saw in your August issue!

They call her Anita Pearl. Where do I begin? The black hair, small, firm boobs, completely shaved pussy? Or do I move on to her taking off her tank top and the panties (with images of girlie things all over them!)? Oh, right, then there was that little thing she did, putting that purple vibrator in her gash. Next thing she puts in that pussy better be my cock!

Oscar
Roselawn, IN

Dear Oscar,

The center is as good a place to start as any, though hopefully you don't stop there and manage to enjoy all our girls equally! But Anita is quite a girl and you're right to be stunned by her. Good luck getting your cock in her pretty little hole!

Dear HAWK,

My friends have often discussed the appeal of two girls being together, and I've never understood it. Until now.

Seeing Kristina Rose and Hannah West got me more riled than I've been in a long time, and I have pretty high testosterone levels. While I liked most everything, I was enchanted by their 69. Now I want to get some of the girls in the dorm to do it for me so I can watch it in real life. Do you have any ideas on how I can go about that? Do I just start asking chicks to fuck each other? Is that cool?

Dingus
Tulsa, OK

Dear Dingus,

There are many ways to get a couple girls together, but we believe in the direct approach. Sure, most girls will say no, but you get used to it. And when they say yes, well, just take a look and Kristina and Hannah and tell us it's not worth it!

Kristina & Hannah

Anetta

This Euro-piece of teen loveliness is Anetta, and she sure has netted us in pretty quickly. This tasty brunette seems to have that whole innocence-and-experience thing pretty well worked out. Her little pigtails and schoolgirl skirt suggest one thing, while her gorgeous, sexy face and "Love" panties seem to promote something else entirely. Oh well, Anetta, it seems that all your feminine assets have worked their way straight to our hards . . . er, hearts!

Bree

Are we ever excited to have Bree Olson back in HAWK! The teen temptress was voted "Best New Starlet" at the most recent AVN Awards, and for very good reason! Her adorable, sweet face and big, natural, suckable boobies are one part of her appeal, and her fiery sexual performances are the other. This darlin' dynamo of teen sexuality is one young babe we're all dying to fuck—oh, and get blown by, and tit-fuck, as well!

Courtney

This 18-year-old, cock-sucking sex star is Courtney James, and she is driving us fucking crazy! Watching her pretty mouth devour her pal's pecker is almost too much to take! And when she drives that juicy, pink pussy down on that cock . . . words can't describe the shudders it sends through us! You are supreme Courtney—bring that delicious teen body around here any time!

Meggan

Congratulations!

Our May 2008 **HAWK** covergirl, Meggan, is now a Vivid Girl! That is some accomplishment, as only the most beautiful, young babes get to become Vivid Girls. Prior to that, lovely Meggan was a teen model. No, not that kind of teen model—she was a real teen model, who didn't even take her clothes off for the camera! But Meggan, you look so incredible nude—please don't ever put your clothes back on!

teen FUCK HOLES #5

Story By Acme Andersson

KATIE RAY

Age: 18

School rep: The bad girl

Guy: Manuel Ferrara

Katie says she used to get into a lot of fights in high school, but there will be no kicking or screaming when it comes to screwing Manuel Ferrara. Well, maybe some screaming, but only in the best possible way.

She says she's been fucked in the ass about 20 times, but never by this Frenchman, as known for his suave personality as for his huge cock that girls love in every hole they possess. She thinks she can take it, and Manuel is an agreeable man. He licks her pussy and ass before letting her lube up his mass with her mouth.

They start with the snatch and while she initially seems overwhelmed by his mass, she soon finds that it's a perfect fit and hits that special spot that gets her screaming and yelling with passion and glee. Her lips grip his pecker as they fuck each other and she screams for him to nail her pussy.

SOME CHICKS are just meant to be fuck holes. These are the young damsels who are only in distress when they aren't being fucked by a huge cock. We could analyze this with psychotherapy or modern science, but the bottom line is, these girls want what we want: Sex.

Teen Fuck Holes #5 is a title that takes five young ladies and puts them to the ultimate fuck hole test. Can they take on some of the finest cocksman the porno business has to offer? Can their pussies really withstand the vast size and relentless pounding these men intend to give them?

All one must do is look at the cast list: *Katie Ray, Michelle Maylene, Courtney Simpson, Lacie Heart, Dana DuVal, and Jenna Presley*. Several names are probably familiar to you, which is pretty impressive for girls only in the business for a few months when these scenes were shot. These girls know what they're doing. They're just using their teen fuck holes, like they were born to do.

"That's just a big cock in my fucking pussy," she hollers, her fingers working more and more rapidly on her clit. "You're going to make me cum on your fucking cock," she calls out before allowing herself a full-body orgasm. "I'm fucking cumming on your big cock!"

Her pussy satisfied, she wants him to fuck her ass. "It's so tiny," she tells him. "It is very tight," he agrees, slowly working it inside as she fingers her twat. Soon he's balls-deep and she's waist-deep in ecstasy.

The ass gets him off, too, and sure enough she waits patiently on her knees, mouth open, for him to douse her pretty face. She pushes in whatever stray strands she can muster and squeezes them into her mouth.

MICHELLE MAYLENE

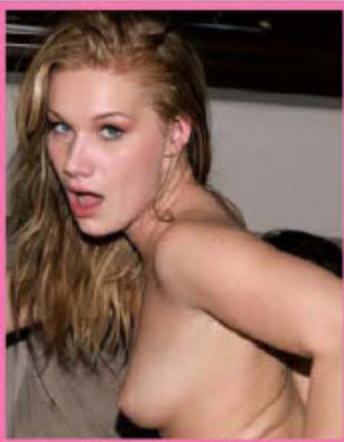

Age: 18

School rep: Class president

Guy: Manuel Ferrara

It's easy to wonder how Michelle went

KATIE

from being president of her high school class to getting fucked by Manuel Ferrara, but why ask questions when this delicious young piece of fuckable meat is naked except for her panties, which she has so stretched out that they'll never be the same again? No further questions, your honor.

Manuel does not question. He licks her snatch and slides a finger into her ass, while a hand gropes one of her tits. By the time he's done rimming her, she is craving to suck his dick. So he lets her. Personal favor.

Slowly she lowers her tight snatch onto his thick meat, but after a few seconds she realizes it not only fits, it feels pretty damn good. She rides his cock and calls out, "Fuck me! Fuck me!" But Manuel is mostly just sitting still, letting her do the up-and-down on his tool, holding her steady, letting her find her way around his big wand. Then he picks her up, sets her in a tall table chair and she throws her right leg over his shoulder and asks him to fuck her. He slips into Super Manuel

mode and fucks her harder and faster than she's ever been fucked.

His cumshot surprises her. As she jerks him toward his face, suddenly white bombs come flying out, hitting her from her hair to her bellybutton to her elbow. She says she has to head out to meet her family for the holidays. Hot teenage girls, the gift that keeps on giving.

COURTNEY SIMPSON

Age: 18

School rep: The gymnast

Guy: Michael Stefano

Oh, she's a limber one, and that works to Michael's advantage since he likes to hit spots that have never been hit before. And Courtney can maneuver like a yogi. What Mike brings to the table is a passion for sex and a love for banging hot, young meat. That's Courtney. Folks, this could be a love match.

She bends over against a pole and Michael undoes his pants as he licks

her ass and cunt. Finally unable to take any more, he dumps the dungarees and promptly slides deep into her partyhole. She hangs on to the pole and Michael works his bone into her wet cunt. Her thin waist bends backwards, sending her surprisingly round ass into the air.

For her next trick, she throws her right leg over Stefano's shoulder (she's standing straight up) and his cock slides in deep, able to hit spots she probably didn't even know she had. All the while they look into each other's eyes and he whispers sweet somethings while she asks him to keep fucking her.

Courtney gets on the couch, does the splits and Michael drops in and fucks her very hard. That's when she gets the idea that she wants him to fuck her ass, but Michael never gets that far. He's far too enchanted with her flexibility and just keeps fucking her as her pussy proves too beautiful to exit. He rocks her twat until at last he blasts her with cum right above her mouth, and she pushes it all into her mouth and then wanders off.

LACIE HEART, DANA DUVAL

Ages: 18

School reps: Dana: Party girl; Lacie: Study buddy

Guy: Manuel Ferrara

Dana admits she's a little nervous about the scene, but she looks hot as hell. Lacie keeps pulling toys out of her bag—vibrators, anal beads, ribbed anal items, etc.—and she's decided to take Dana on a test-drive before Manuel gets there and teaches them both what a pro cocksman can do for a girl.

Lacie works Dana over a bit, and Dana says she doesn't mind. Lacie spits on her asshole, lubing it up for a rod of beads. Dana says she likes it and takes the whole thing while Lacie alternately spits on and licks Dana's pussy. Then she pulls out the tool one bead at a time.

Manuel and Lacie then team up on Dana, touching her, playing with her, then finally fucking her. He goes for the snatch first, plowing her teenage field while Lacie at first holds her steady and then resorts to sitting on Manny's

face. Lacie gets hers, too, while Dana occupies herself by snacking on Manuel's balls and Lacie's ass.

Just as they shared his cock, they share his cum. Strong splurts hit each girl's mouth and face and they kiss and mix it all together. Friends forever.

JENNA PRESLEY

Ages: 18

School rep: Goody Two-Shoes

Guy: Manuel Ferrara

Jenna will be the first to tell you that during her high school days she was a good girl by day and a bad girl—a very bad girl—by night. Now she's just a bad, bad girl. Faster than you can say, "Take your clothes off!" she is, and has two fingers deep in her snatch, asking for Manuel to fuck her. He takes over finger duties—two of his, and then he goes in for the lick.

Before long, this leads to Jenna riding his cock. She takes his girth, slow at first—"You think you can get it in that tight, fucking pussy?" she asks—but it isn't long before he's all the way in.

Lacie Heart and Dana DuVal
provide kinky hijinks!

'Yeah, make it fit," she screams. "Fuck that little pussy!" She then rides and grinds, her round ass flying high in the air as she goes up and down.

She then takes her turn on top. He rubs her clit as she tells him to "Shove that big fuckin' cock in my tight, fuckin' pussy!" Soon she cums on his dick and seems overwhelmed by it all.

Manny then nails her from behind, which is more than she could have ever imagined. She asks for his cum on her face, and he gives her the gift of goo, splattering her pretty face and then she gets as much into her mouth as possible and swallows it. And then she looks into the camera and calls us perverts! Nah, we're just along for the ride, baby.

Nikita Dorothy

Li'l Nikita had to see her teacher, Ms. Dorothy Black, after school. Turns out, Nikita needed a lesson in lesbian love—it's something she's never tried, but only dreamed about. And Ms. Dorothy is only too eager to teach her! Dorothy licks Nikita's sweet nipple, sending shudders through the young girl's spine. Dorothy sucks Nikita's juicy, 18-year-old pussy, to demonstrate how great it feels. Nikita is happy to return the favor, and, before you know it, the vibrators come out. Guess what: Nikita scored an "A" on her first lesson!
